

**WESTERN  
DIVISION**

## Alpine Level One PSIA-AASI Western Division

Although not required, we highly recommend those taking the Level 1 exam to be working at a Ski School and have 20+ hours teaching experience.

Prior to the exam:

1. Read the [Alpine L1 Study Guide](#).
2. Complete the Alpine Level 1 E-learning.
3. Register for the event (trainer's guidance on when you are ready is strongly encouraged) at [www.psia-w.org/events/](http://www.psia-w.org/events/).

The exam is an interactive and information based process. You will be coached and expected to participate through both days of the exam. Throughout, you will receive feedback as appropriate to help you understand the process and expectations.

Outline available at <http://psia-w.org/level-1-exam-outline/>
