AIARE Rescue Classes: Dec 4, 2021 & Mar 5, 2022

NASTC is one of the oldest AIARE schools in Tahoe. The AIARE curriculum is a 3-day intensive seminar designed to teach you: an understanding of avalanche formation, “nature’s billboard” observation skills, how to use an avalanche transceiver and probe and how to dig a snow study pit. The AIARE Rescue Course is a 1-day intensive rescue practice course. NASTC also offers Intro to Backcountry courses and Private Backcountry guiding.
